Sought Out House Of Worship Events 2017-2018

***April 20 - 7 pm - 8:30 pm** @ St. Michael's Church - connecting with one day event to Backyard Mission Trip in Findlay, Ohio. Introduced vision, had requests for prayer, prayed over the city and worshipped.

May 19 - 6 pm - 8:00 pm Had worship, two new testimonies given and laid hands on map to pray for City and Hancock County's health department! Weather was not conducive to walking and praying outside so we did it inside St. Michael's.

June 16 - 6 pm - 8:00 pm Worshipped first. Several days earlier, God revealed and explained about the blood eagle ☠ method of suffocating life out of the city with different locations. Discovered people dying with spinal issues within the city and county to validate what God showed me. Continued praying for the city of Findlay and Hancock county's health.

July 21 - 6 pm - 8:00 pm Worshipped. Celebrated Shabbat and explained to them how God desires us to remember what He has done for us. I spoke about Exodus and how children were included in this process. I also showed a poster with 3 heavens and 4 voices each person hears before they go walking on their street. How depending on hearing the wrong voice can affect their street if they are praying for neighbors. They did a short exercise to take one quality they struggle with on a piece of paper, with a vertical line to separate and create two columns. On the left side for what the enemy says but on the right side what God says. His Truth keeps marching on inside our hearts!

Then Chrissy Hallock, our guest speaker from Tampa, Florida spoke on God's Love!

***August 12 - Noon - 2 pm**

Community Neighborhood Potluck

Lunch + Testimonies. This is a time to reach out to your neighbors on your own street. Invite them to your home and show love as well as a  listening heart  toward them. Ask Holy Spirit to lead and guide you to see and to hear and to respond how God would to them. If they do not have a testimony, help create one with Holy Spirit in the two hours you have to share a meal with them. God knows, increasing His Love for one another and trusting God with your neighbors lives will change your street, if done His Way. In the process you will be changed too!

September 15 - 6 pm - 8:00 pm This time of year is harvest season and close to the beginning of Jewish New Year, Rosh Hashana! Yom Kippur is also important in asking for and receiving forgiveness in wrongs done to others. Starting out in the New Year, is important and the beginning of a New Age, a Messianic Age. This will begin the joining together of the Jew and the Gentile! So many more fractions in Jewish culture as well as Christian culture. God's Truth and Love will prevail in revealing this collaboration of His Bride. Maybe there is a neighbor not liked or understood who lives on your street! Are you willing to reach out to them in Love God's Way? Isaiah 61:1-5

October 20 - 6 pm - 8:00 pm Apostle Blossom Brackman, director of Eagles Of Fire, will be our guest speaker from Washington, DC. God has strategically placed her in our nation's capital to intercede and to gather the prophets and apostles in September 22-24. Because the sons and daughters of the Lord are to arise as One in Spirit and in Truth to establish heaven on earth! Remember how God showed me one flame  on each street filled with His passion, His Love and sharing His Good News. Then God sovereignly connects flame  to flame  like dot to dot puzzle to change the heart of our city and county!

November 17 - 6 pm - 8:00 pm This is one of my favorite seasons to celebrate is Thanksgiving! Giving thanks to God from the greatest to the least testimonies. Are you seeing fruit on your street as you connect with your neighbors? Are they thanking God? Are they thanking God for who you are and what you are doing as you partner with God? It is God's heart to hear back what has been released from Him through you. Luke 17:10-19

December 15 – 6 pm – 8:00 pm This is a time to remember the unique, beautiful birth of the Gift given to us from heaven. Sometimes we keep Baby Jesus as a baby though. We sing in churches across this nation and around the world ☺, prepare Him room and heaven and nature sings! But how are we really preparing our hearts, minds, souls and children on our streets? How do we make room for Him? What ways are released to give lavishly back to Him so that heaven and nature can sing on our streets? All of our streets? Would you be willing to go to another street and pray with another believer, regardless of race or creed?

January 19, 2018 – 6 pm – 8:00 pm There are so many promises stated by us in the beginning which get broken soon after New Year's Eve. State one promise of what God has spoken to you, like He did with Abraham, birthing a son. Has God given you a specific promise on your street that you are still waiting for? Be encouraged and do not lose heart in the winter and cold seasons of life! Remember God is Faithful! Joshua 1
